FEED THE HUNGRY
A full life feels good.™

Please pray for the work of Feed the Hungry over this Christmas season.

- Pray for the children as they receive their boxes and bibles. Pray that they see God's love for them as they open them.
- Pray that the boxes open up a door for ongoing relationships with the families.
- Pray for all the Feed the Hungry staff and their partners as we share the message of God's love with people across the world this Christmas.
